SHORTSIGHTED PAY SCALE!

Moonlighting is a definite obstacle to professional law enforcement. It plagues large and small departments alike in all parts of the Nation. Its elimination depends on the support and cooperation of local governmental officials and an understanding public.

Its criticism of moonlighting is not against the officers who must hold a second job. Rather, it is against the prevailing systems which unwittingly make this questionable practice necessary. Local governments and communities willing to accept the practice as a substitute for adequate police pay are applying short-range judgment to a long-range problem.

As I have stated many times, effective law enforcement is a vital part of community growth and development. It is the heart of law and order, and it cannot be achieved on a cut-rate basis. A practice which requires an officer to daily place his life on the line against murderers, robbers, and unpredictable young thugs without just compensation is a bad practice and should be stopped. All communities should pay policemen suitable wages and let moonlighting pass from the scene.

Whoopee - Thanks A Million

This Community, and all of southeast Florida, for that matter, owes a great big "WHOOPEE — THANKS A MILLION!" to:

Its own indomitable spirit;
The County Commission;
Representative Roberts;
The Traffic Safety Committee of our House of Representatives;

The Florida State Road Board; and Governor Hayden Burns.

For securing protection to auto traffic where paralleling canals have caused the death of several hundred travelers.

Some \$297,000 has been spent; \$417,000 is being spent, and \$3,654,000 is projected for guardrails and plantings to afford protection.

We know of no project, except the C & SF FCD, where intense feeling, foresight, energy and integrity have paid off more bountifully to the citizenship, than the Canal Hazard Committee's work.

Faith in your cause, backed by integrity, energy and imagination produces results; consider the Guard-rail campaign Chairman by Henry Earwood, as a Committee of the Belle Glade Chamber of Commerce, and expanded into a county-wide effort.

The effort was championed by Emmett Roberts, who, as a member of the Florida Legislative Safety Committee, arranged a hearing before that Committee in special session, in West Palm Beach.

The arguments for relief, backed by statistics on fatal accidents on County roads paralleling canals, caught the intense interest of the Chairman, of that Committee.

We believe in giving flowers while the recipient can still see and smell them; we believe in proper acknowledgement of a favor, even if some believe it a duty.

So, hence goes:
WHOOPEE — THANKS A MILLION!

Uncle Dan From Doolie Says:

DEAR MISTER EDITOR:

The fellers at the country store Saturday night was all taking turns using the crying towel. Ed Doolie started it off by announcing he was aiming to make a deal with one of them new departments Lyndon has invented and got out of the farming business complete and entire. First off, said Ed, in these times of full prosperity and fuller taxes, they were more profit in it for a farmer to federalize than to fertilize.

Furthermore, allowed Ed, it was getting along toward planting and plowing time and a farmer didn't have nothing to go by. He said he used to depend on the moon and signs in the heavens for planting but all them satellites they got floating in orbit has upset the signs and a feller didn't have nothing but the calendar to go by. And he reported he ain't never known a calendar farmer that had good crops. And, incidentally, Ed blamed them satellites on the Democrats, claimed Lyndon had got moon struck.

Zeke Grubb was agreed with Ed, said it used to be they wasn't but just one middle-man between the farmer and the market. Now, claimed Zeke, they got a middle-man, a double-middle-man and a triple-man cutting in on the profits. He said he was reading a article about how the Farm Bureau in some town was holding a supper to show how much profit a farm-

er gets for the food he raises. They was charging for the meal exact what the farmer's profit was. He said it come out that a meal of roast beef and two vegetables that cost \$1.50 at a cafe come to 13 cent at this special supper, including the labor for serving it.

Personal, Mister Editor, I think they might be a lot of little expenses at the cafe that wasn't included in that 13 cent. Per instant, I recollect reading about a sign they had in a cafe at the World Fair. It said: "Don't confuse our silvers with medicine. Please don't take any after meals."

Serious, I think the farmers would be better off if they would quit leaning on the Government and get down to plowing, either by the signs or the calendar. When Ed says he's going to federalize instead of fertilize he's been bit by the Government bug.

It is my general opinion, Mister Editor, that Government is like germs. It grows where people was weak and their resistance was low. When they get a home remedy right quick, they take a stiff dose of Government aid. Pretty soon, reaching for the Government medicine bottle gets to be a habit hard to break. Ed wouldn't admit it but he's getting his eye more and more on that Government bottle.

Yours truly,
Uncle Dan

THE RULE OF LAW

"Can a disorderly society survive?" That question is asked in an article by former U. S. Supreme Court Justice Charles E. Whittaker which originally appeared in the Kansas City Star and has been reprinted by The Reader's Digest in condensed form.

His answer: "In all recorded history, none ever has. On the contrary, history shows that the first evidence of each society's decay appeared in the toleration of disobedience of its laws."

Religion - Patriotism?

Dr. Eugene Carson Blake, long an official of the National Council of Churches, has been recently named head of the World Council of Churches.

He is reported to have spoke in a foreign capital where he called on the WCC to speak up against the struggle in Viet Nam. "We cannot remain silent," he is reported, "We should remember that whatever victory there may be possible, it will have a racial stigma; it will always be the case of a predominantly white power killing an Asian nation."

Dr. Blake knows that a million or more Vietnamese fled the red rule of the north, and that the South Vietnamese are fighting communism, and dying in that fight every day.

Dr. Blake knows that South Koreans have sent a full division of troops in the fight against Viet Nam, which on a per capita basis, is a greater effort than we are making.

The brave people of the Philippines and of Thailand are firm against a communist conquest.

The Doctor's statements are similar to those of North Viet Nam and Red China.

The National Council of Churches take a dim view of anti-communism, and the dear doctor has visited with clergymen in Russia.

It's time right thinking folks correctly identify True Americans, and real American organizations.

If the two Councils of Churches are American, then you and I are in a fix!

PARENTS

There are many ways today for the conscientious adult to help the child who is without parents. There is legal adoption, financial help to institutions for the homeless, the Big Brother program, and others.

If more people were aware of the good work that can be done, so easily, these programs would be greatly benefited. But, there is also, perhaps, need for a program to help some of the children who have only part-time parents. The part-time parent believes that food, shelter and clothing are the total parental responsibility. The part-time parent may be so busy that he or she is never home except at bedtime. Or, perhaps, the part-time parent is so concerned with a business or a hobby that children become little more than speaking acquaintances.

There should be some way to educate these parents to the child's need for guidance, instruction, companionship, and some genuine display of parental affection.

But, these parents are hard to find. Often, they don't even recognize themselves.

Glades Efforts Bring Near \$4 Million

This effort had its beginning in a discussion at the Lions Club, where invitations were issued to other groups.

The Chamber of Commerce, as an active area organization assumed the leadership, and invited the entire County to participate.

The County Commission was successfully engaged in appeals, and the State Road Board was made cognizant of the needs; the Road Patrol furnished records and testimony.

A dedication ceremony was held at the County Courthouse in the Glades, with VIPs galore.

The net result is protective installations in all southeast Florida counties, and half dozen others where canals parallel important roads.

To date, the results are beyond the scope of the original hopes of Mr. Earwood proposal — some \$286,000 has been spent on COMPLETED projects in the County, with a "planting" under way to cost \$24,000 and projects proposed of \$820,000 in the County.

Neighboring counties of Glades and Hendry benefit with \$645,000 to be spent on 49.6 miles of hazardous

roadways. Brevard and Dade counties will have US No. 27 protected; Broward 14.7 miles and Fla. No. 84, 14.9 miles for \$215,999 and Dade 4 miles for \$40,000.

Dade and Collier get US No. 41 protected for 58.2 miles at a cost of \$584,000. In Palm Beach County, Fla. No. 80 from South Bay to Twenty-mile Bend will have guardrails, then 80 to county line; miles of plantings, and from State Road No. 7 to Military Trail, rails.

Brown's Farm road (827) guard rails from Six-mile Bend to farm's western line. Conner's Highway (700)

from Canal Point to Twenty-Mile-Bend guardrails; US No. 441 and Fla. No. 80 to county line; State Road No. 15, Belle Glade to Pahokee, guardrails.

US No. 27 will be completed into Lauderdale and Miami, or connecting links of protected highway. In PB County \$286,000 has already been spent, \$24,000 is being spent, and \$820,000 is proposed, for a total of \$1,133,000, covering more than 100 miles and protecting the area where more than 100 persons have been drowned.

English Guests Fascinated With Sugarmaking

After an extensive tour of the Tallman Sugar Mill last Friday, Lord and Lady Decies of England, Colonel and Mrs. George Hamner (U. S. M. C. Ret.) of West Palm Beach and Mrs. Guy D. Wood, Jr., were luncheon guests of Mr. and Mrs. Eugene Pawley at their home here.

The Pawleys' guests found sugar making, fascinating, especially Lord and Lady Decies, who have found an old sugar mill on their newly acquired plantation on the island of Monserrat, one of the Leeward group in the British West Indies. Queen Elizabeth and Prince Philip were recent visitors there on their tour.

Monserrat has about the same size population as Belle Glade, but they said the soil could not begin to compare to the wonderful soil found here.

So impressed were the Decies with the production in the Glades that they are coming back again for a day of picture taking an sight-seeing.

MR. AND MRS. JAMES L. (Rusty) HALL

Grant Averill Photographer

Newlyweds Residing In South Bay

In a double ring ceremony at First Missionary Baptist Church of Chosen at 3:30 P. M., Feb. 27, Miss Alice Janette Moore became the bride of James L. "Rusty" Hall. The Rev. Jimmy Creel, pastor, officiated.

Floor baskets of mums and gladioli decorated the aisle of the church banked by palms. Family pews were marked with satin streamers.

The bride, daughter of Mr. and Mrs. Loyd Cowart, 1009 N. W. 13th St., Belle Glade is a graduate of Belle Glade High School and is employed by Southern Bell Telephone and Telegraph, Co., Belle Glade.

The bridegroom is the son of Mrs. Kenneth Hitchcock of 252 Begonia Drive, Pahokee, and the late James L. Hall. He is a graduate of Pahokee High School and served four years in the Marines, with 16 months of overseas duty in Okinawa. He is also employed by Southern Bell Telephone and Telegraph Co., Belle Glade.

Traditional nuptial music was presented by Mrs. Donald Thompson, pianist, and Mrs. Ralph McCotter, Jr., sang "More," "Till," and "The Wedding Prayer."

Given in marriage by her father, the bride wore a floor length gown of silk organza over taffeta fashioned with a Sabrina neckline and long sleeves pointed at the wrists. The full skirt with lace appliques fell into a chapel train. Her finger tip veil of illusion was held by a tiara of pearls, lace and tear-drop crystals. She carried a bouquet of white mums, centered with a white orchid and satin streamers.

Miss Ann Peacock, maid of honor and the bride's only attendant wore a pink brocade dress with scoop neckline and A-line skirt. Her matching veil was attached to a pink satin pillbox and she carried a bouquet of pink mums.

Kenneth Hitchcock, stepfather of the bridegroom, served as best man. Ushers were David Moore, brother of the bride and H. H. Pugh, cousin of the bridegroom.

For her daughter's wedding Mrs. Cowart wore a

turquoise brocade suit with matching accessories and a white orchid corsage. Mrs. Hitchcock, mother of the groom was attired in a gold thread blue suit with white accessories and a purple orchid corsage.

The reception was held following the ceremony in the fellowship Hall of the Church. The table decorated with arrangements of pompons and pink gladioli held a three tiered wedding cake topped with a miniature china bride and groom. Assisting in serving were Lorrain Godwin of Orlando who cut the cake, Pat Townsend, cousin of the bride, Australia, poured punch and Edrice Poole, aunt of the bride from Immokalee served cake. Joan McClenahan of Naples kept the bride's book.

Following a wedding trip in Florida, the couple now reside in South Bay at Henderson's Trailer Park.

Among the out of town guests were Mrs. L. B. Rivers, grandmother of the bride, Mrs. B. F. Poole, aunt of bride, and Delma Poole, Mrs. W. A. Conner, aunt of the bride, all of Immokalee, Mr. and Mrs. Ray Townsend and family from Australia, Mrs. Joan McClenahan of Naples, Mr. and Mrs. Boots Godwin and daughter of Orlando, Mr. and Mrs. J. E. MacArthur and family and Mrs. Henrie Sewell all of Palatka.

Mrs. Luther Jones spent several days with Mr. and Mrs. Lawrence Will in West Palm Beach. She and Mrs. Will enjoyed the performance of "Laborer" at the Musicarnival during her visit.

Students Of The Week

Sarah Jane Wierengo
Sarah Jane Wierengo and Jimmy Jackson were selected as students of the week this week.

Sarah Jane, better known as Jane or "Hoss" a name which she got from her favorite hobby, horseback riding, is well known around the campus. She is in many clubs and recently is entered in the Harvest Queen contest. Earlier she was voted Miss Senior by the members of her class.

The 5'9" secretary of the Student Council plans to attend college in Georgia next year.

Jimmy Jackson
Jimmy Jackson, a 5'8" vice-president of the Senior class, played center on the football team this year. Lately he is an outfielder on the baseball team.

Last year he was president of the Junior class. Also he is a member of the Interact and the Student Council. Next year he plans to attend Abraham Baldwin in Tifton, Georgia.

The entrances to trouble are wide, but the exits are narrow.

F. T. A. Meets

Future Teachers held a regular monthly meeting Tuesday, March 3.

The officers are compiling a newsletter for the county banquet which will be held sometime in April. This banquet will take place in Delray. All members of the FTA are encouraged to attend this banquet.

The remaining of the meeting was spent in planning the edit teaching program. This program will be rescheduled for the month of May.

Demonstration Presented by Former BGHS Student

Mrs. Bob Richardson, a former student of BGHS presented to the home economics students a demonstration on "bathing the infant."

Mrs. Richardson, formerly Sharon Blair, is now a resident of Pahokee, Florida. Being a mother of four children, Mrs. Richardson offered her assistance to Mrs. Litchfield by relating personal experiences to the home ec. classes.

As the home economics girls are now studying a course on Mother and Baby Care, Mrs. Richardson not only demonstrated bathing the baby, but discussed care of the baby, the mother and baby's clothes. She shared her own opinions on childbirth, early marriage, and the importance of education in these areas. She also advised all girls to finish high school before undertaking responsibilities of motherhood.

Teacher Of The Month

Mrs. Hazel T. Litchfield, born Feb. 23 in Adams Creek, North Carolina, is teacher of the month.

The 5 foot, hazel eyed, blonde haired Home Economics teacher has a B. S. degree and attended East Carolina College in Greenville, N. C., Duke University and Florida State.

Mrs. Litchfield reported that her favorite pastime is visiting furniture stores, her color is blue, saying is "study today to be prepared tomorrow." She goes for horseback riding and her record is "Indian Love Call."

She is sponsor of FTA and the Para-medical Club. In her 22 years of teaching at Belle Glade her pet peeve is "I don't like lazy students."

Her favorite vegetable is turnip greens and her favorite meat is steak.

Mrs. Litchfield also teaches us a quotable quote "The greatest University in the world is not enclosed in our walls but by an inquiring mind, a loving heart, and eagerness to learn, a deep faith in God, a good dictionary and access to a public library and one can become a great individual."

SPRING IS COMING

Are You Stable?

If you can answer "yes" to the following questions, it is likely that you are an emotionally stable and healthy person:

- Are you usually happy?
- Although you will be disappointed and depressed for a while when things go wrong, you do find life enjoyable, on the whole. This doesn't mean that you jump with joy every minute, but you do smile readily, laugh occasionally, and usually seem to be contented.
- Do you have bounce? Life isn't a bed of roses for teenagers. But the anger, grief, or worry of normal individuals doesn't last for a long period of time.
- When you do something wrong, do you try to make up for it? Every now and then even well-adjusted fellows and girls will make mistakes which result in damage or harm. In such situations, do you feel guilt and learn from that guilt? Do you do something to restore the loss, balance the harm, or even the score against yourself?
- Do you have strong, appropriate emotions? Do you have a born hardworker, a born salesman, or a born genius. We are all born with innate undeveloped abilities. What we do with these undeveloped abilities, is up to us. You can't afford to merely let things happen. If you want to be successful, you have to MAKE things happen.

Art Classes Sketching In Ink

During the past week Mrs. Earwood's five art classes have been studying and drawing ink sketches. They wound up the week in Delray. All members of the FTA are encouraged to attend this banquet.

The remaining of the meeting was spent in planning the edit teaching program. This program will be rescheduled for the month of May.

First and 2nd prizes went to Allison Cann. Her first prize sketch is shown above.

Mary Kate Ponder's sketch of the opening night at the Senior Class play won 3rd and a swamp scene by Bulch Wilson received honorable mention.

Congratulations to these student artists.

Gossiping Gandy

With so many activities going on around campus, (public and private) there have been a lot of gossip going around.

Have all ya'll girls decided on an escort for the Harvest Queen Contest? I hear there are some of you having a hard time making a decision.

I hope you Candy Strippers can stand the sight of blood and hard work, they say it's rough out there.

How about it, Diane, C. Kathy B., and Lura L.?

Amanda B., when will you learn to operate a music stand?

John Lee, any time you've got the money I, W. and Applesseed are ready.

There's a new attraction at school. Be sure to go by and see Mr. Saco's speaker stand with polka dots. Molly G., isn't such a bad carpenter.

Cheerleaders, who's been borrowing your skirts? Not a bad fit.

Hey, Pat V., what strange noise did you hear in Mickey M.'s house?

Hey Gary W., what's up? Surf? Would you believe surfer girl from Forest Hill?

Brenda B. has been running around in a little blue station wagon. Be careful Brenda, that one's dentable too.

Mr. Melnik, it seems as though some of your students have been writing you and Mr. Webb like your new names!

Hey, Seniors, have you heard anything about the Juniors plan for the Prom? I heard they had the theme all drawn up. How about it, Alison C.?

Students who are the Pat Man and Robin on our faculty?

Carlos M. and Red what is it that you race for at lunch?

Ronnie G., how do you manage to get so many girls mad at you every time? Is it that bad habit of yours?

Michael S., what's so special about March 4th?

Seniors, would you believe ... invitations already?

What's this about the best students in school not being able to sell four tickets a piece?

Pat B., what hotel do you spend Wednesday night's at?

Joyce K., I'm glad you made up your mind.

Why don't we all get a petition up demanding that they re-open the bowling alley?

NDEA Funds Not Included In Gov't. Budget NDEA LOAN CANCELLED; STUDENTS FACE PROBLEM

Many students that have applied and been accepted at the college of their choice now face a big problem. Due to the high college expenses of today, many students have applied for the National Defense Education Act loan.

The students have recently been notified that the NDEA funds were not included in the Government 1967 Budget.

It is believed that this action was taken in the hopes the Guaranteed Loan Program through local banks, as enacted by the Higher Education Act of 1965, would be in operation by July 1, 1966. It is feared that it is doubtful if this program can be placed into operation until the following academic year. If this is the case, there will be a great emergency in student loan funds for the next academic year.

The NDEA loan is preferred by the average family because of its low rate of interest and the convenient repayment plans.

Directly this involves the Seniors. Next year this financial problem will face the Juniors. Those interested in a continuation of the National Defense Student Aid Loan Program for the next few years, should write letters to their Congressmen and express their opinion on a continuation of this program.

STRONG CHURCHES

Make STRONG COMMUNITIES

Divine Worship Services Sunday At St. Peter's

The Sacrament of the Lords Supper will be administered at St. Peter's Lutheran Church on Sunday, March 13th. All members of the congregation are requested to examine themselves before partaking of the Sacrament. All non-members who desire to commune are requested to contact the pastor of the church any morning of the week.

The sermon theme is "Looking to Jesus" Hebrews 12:1-3. The Sacrament will be administered during the regular worship service at 10:30 a. m., which follows Sunday school - 9:15 a. m.

LENTEN SERVICES
In the Mid-Week Lenten service on Wednesday, March 16, another film-strip from the series "In His Stead" will be viewed. The film-strip and sermonette follow through with the theme of the suffering of Christ. The film-strip for next Wednesday concerns the Proud individuals involved in the trial of Christ, represented by Caiaphas and Peter. In each instance overwhelming pride became the cause of suffering for Christ. Just as their pride added to the injury of body and spirit which Christ had to suffer, so sinful pride in our hearts adds to the burden of our suffering Savior. These Lenten services commence at 8 p. m. and are open to the entire community.

Episcopal Vicar Is Assigned To Miami Area

The Rev. William R. Pickels, Vicar of the Church of Saint John The Apostle Episcopal Church will leave Belle Glade on or about the 15th of March to serve the church in the Miami area. He will be Vicar of St. Cyprian's Mission, Homestead and Priest-in-charge of Ascension Mission, Richmond Heights.

The vicar has been at St. John's Church for about a year, having been at Belle Glade from Pompano Beach.

Holy Baptism

The Sacrament of Holy Baptism was administered to Pandora M. Buss, daughter of Mr. and Mrs. Russell M. Buss on Sunday, March 6th. The Sacrament was administered in St. Peter's Lutheran Church during the regular morning worship service by Reverend R. V. Roseman, pastor of the church. Her God-parents and sponsors are Dr. and Mrs. Donald Fleish.

First Baptist Church Revival March 13-23

Rev. C. H. Eliland, minister at the First Baptist Church announces a 10 day Revival will begin Sunday, March 13 and continue thru March 23.

Conducting the revival services will be Rev. Wade Griffin of Monroe, N. C., formerly minister of the church here, 14 years ago, and now retired.

March 20-25 Spiritual Renewal Services Community Methodist Church

Spiritual Renewal Service will be conducted at Community Methodist Church, Belle Glade, beginning Sunday evening, March 20, according to announcement made by the pastor, the Rev. W. R. Boland. The services will be conducted each morning and evening from Monday through Friday, March 21, 22, 23, 24, 25. The morning services will be at 10 o'clock and the evening services at 7:30 o'clock.

The Rev. Paul L. Hartsfield, pastor of Melrose Park Methodist Church, Fort Lauderdale, will deliver the sermons. Tom Starnes, a member of the teaching staff of the local high school will be the song leader. The evangelist is the son of a Methodist preacher. He attended Emory University and Candler School of Theology, Atlanta, Ga. The Rev. Hartsfield was much in demand as a speaker during the seven years he resided in Jacksonville, and spoke often on the T. V. Religious Panel, representing the Methodist denomination. He is very well liked by young people, and was one of the Discussion Group Leaders at the Youth Rally held in the local Methodist Church recently.

Mr. Starnes received his B. A. at Asbury College, Wilmore, Ky., where he studied biology, psychology and piano. He received his M. Ed. at Mississippi College where he studied science, education and voice. Mr. Starnes was formerly director of the Adult Church of McLaughlin Heights Methodist Church.

Errol Simmons, minister of Music at Heights Baptist Church, Pensacola will direct the music in the first part of the Revival Sunday, March 13 through Wednesday, March 16.

The difference in men is not in their talents but in their dedication. —Emerson

Discovering Harmonious Relationships Through Christian Science

To establish and maintain harmonious relationships with others, gain a better understanding of man's relationship to God, divine Mind, Herbert E. Rieke, C. S. B., of Indianapolis told a large audience here Monday evening.

"There is never a problem, individual or worldwide, so great but that the divine Mind has a harmonious and unifying solution," Mr. Rieke declared. A teacher and practitioner of Christian Science, he is an international tour as a member of The Christian Science, Bureau of Lecture.

Mr. Rieke spoke in the church auditorium on Avenue "E" under the auspices of First Church of Christ, Scientist, Belle Glade. The subject of his lecture was "Discovering Harmonious Relationships Through Christian Science." He was introduced by Mr. Don Griffith First Reader.

Tension, conflict, and misunderstanding were traced by the lecturer to limited human concepts of God and man.

Hatred, envy, and other carnal qualities are no part of the spiritual, perfect man of God's creating, Mr. Rieke emphasized.

"Man is what Love, the divine source of all true being, causes him to be," he stated. "Man therefore never thinks in terms of hatred, dislikes, envy, jealousy, resentment, or selfishness. He is always appreciative of all the good to be found in God's spiritual creation."

Mr. Rieke told his audience that the spiritual man of God's creating is discovered through scientific prayer. He defined this prayer as "a spiritual means by which we let God express His true idea of man in our consciousness and experience."

To show the practical power of such prayer, he cited the experience of an individual in a large organization who was involved in a clash of personalities.

WHERE DO THE STARS GO, MOMMY?

The big brown eyes are thoughtful, the small face earnest as Mary Anne considers the universe.

Sometimes our pint-sized inquirer's questions are devastatingly funny, sometimes deadly serious; but always important. Harry and I may chuckle over them, but we never forget that these queries reflect Mary Anne's increasing awareness of the world about her. We know that our answers and attitudes are an important part of her development.

Another influential portion of Mary Anne's growth, we feel, has been her regular attendance at Church School. There, Mary Anne's experiences with other children have been related to God's plan. The tiny kitchen or play garage in the skilled teacher's capable hands becomes the training ground for Christian behavior.

How glad we are that our church is well equipped to guide our child in her religious growth. Attend your church. Take advantage of the inspiration and knowledge it is eager to share with you and your children.

Miami Woman Wins Grand Prize In Kwik Chek Contest

Mrs. Grace Adams (center) of Miami, is undecided which U. S. city she'll choose for her 7-day, All Expense Paid Vacation for 2. She is the proud winner of the vacation plus 500 Books of Top Value Stamps awarded in the Winn Dixie - Kwik Chek "Trips N' Gifts Sweepstakes." Kwik Chek Store Manager, C. A. Caple (left) and Rid Anderson, Top Value Stamps executive, are offering their assistance to Mrs. Adams in making her choice.

Winn Dixie-Kwik Chek Stores announced today the Grand Prize winner of their Top Value Stamps Trips N' Gifts Sweepstakes. Mrs. Grace Adams, 9880 Bahama Drive, Miami, Florida, is the lucky winner of the 7-day, All Expense Paid Vacation for 2, plus 500 Books of Top Value Stamps. The winner gets to choose a city, anywhere in the U. S. where there is a Top Value Redemption Center, for their vacation.

The contest was staged in the South Florida area from Vero Beach south to Key West. Mrs. Adams hadn't decided which city to choose for her vacation, but is thrilled at the thought of "having the entire country from which to choose."

There was a total of 2,520 weekly prizes of 1500 stamp awarded during the contest in addition to the Vacation Grand Prize.

First Graders Celebrated Mardi Gras

Mardi Gras was celebrated by the first graders of the Lake Harbor Elementary School Feb. 28th with a parade and circus. The parade was the opening event, containing nine floats by Janice Albritton, Allen Green, Floyd Lane, Roger Lewis, Steve Midget, Tammy Noland, Nathaniel Strachan, Joe Taylor and Guy Weston. The judge awarded first prize to Allen for his horse. Following the parade, the circus was in full swing. Favorite attractions were tight-rope walking and the merry-go-round. Popping corn afforded more pleasure until the popper broke down, consequently, the first grade now has a store of pop corn and margarine to be enjoyed at a later date.

Cane Fire Blamed

A spokesman for the Florida Power and Light Company reports that a cane field fire about two miles east of the sub-station on U. S. 27 caused a power failure which put the lights out in South Bay, Belle Glade, and Pahokee for a few minutes Thursday, Mar. 3, shortly after noon. The affected line carries 138,000 volts, the spokesman stated. Power com-

pany officials urge all cane farmers to use caution in setting fields on fire, and to call the company promptly whenever electrical transmission lines are endangered. Another black-out occurred in South Bay on Wednesday, March 2, from 9:20 p. m. to 10:20 p. m. Exact cause of the power failure could not be ascertained, except that extensive repairs were being made. The spokesman for the company stated that wherever possible home owners are advised of such power cut-offs.

Book Of The Week

A LONG TIME COMING
Whitney Phillips

This story takes place in a small town called Leola located in the southwestern part of the United States. The main character is a girl called Christie Allard. After the sudden death of her mother, Christie visits her aunt. She meets many new Mexican-American friends. These Mexican-Americans were people of Mexican descent but born in the United States.

Shortly after Christie's arrival in Leola, there was quite a disturbance in the community. There were people, including Christie's aunt, Miss Amelia Allard, that wanted to deny these people their rights as citizens. Christie vehemently disagreed with her aunt and the community. As a result the town's attitude, many disastrous things began to happen.

While trying to solve these problems, Christie becomes interested in a young man by the name of Tom Webb. Several electrifying episodes occur in this story that will make you believe that the characters are actually stepping out of the pages. So, if you really want to know what happened in the disturbed community of Leola and all about Christie's romance with Tom Webb, stop by your library and check out this exciting novel. Remember the name. A LONG TIME COMING.

"DEVELOPING GOOD STUDY HABITS"

Because we aim to please everyone, we offer the following two columns below to you for future use. Make your own choice. Be sure that meets your needs.

HOW TO STUDY FOR A TEST

Studying for a test is not difficult. If you study in the proper place and know exactly what your weak points are. First of all it is vitally necessary to find a secluded place. I think the place should be designated as a study area for the rest of the family will know that it is "off limits" for them.

With a record player or a transistor radio booming in your ear and neither would you select a spot where you could peep at the television set. If your home has a library or den, then these places would be ideal.

Another important item is the material which you are studying. Your notes should be well organized so you want have to go through every folder or book to find the most important parts of your notes and try to anticipate just what the teacher will stress on the test. Get a good night's rest and face the morning with reassurance that is believe in your self.

"HOW NOT TO STUDY FOR ANYTHING"

As soon as you come from school through your books aside on the floor or stove, after all this is an old habit to you and who wants to break old habits. Next, you see the kitchen dirty, don't clean it up, wait until you are supposed to be studying and have mother should make a good alibi to give the teacher.

Your next stop should probably be to one of your friend's homes. Stay there until around 8:30 p.m., and then go to your room and relax with your record player, after all you have only heard the records 500 times.

About this time, your mother will suddenly inquire about your homework. You might as well make a start so you make your grand entrance equipped with materials and no — don't forget your smart little transistor radio, the one with the ear-plug. It's so nice to listen to your favorite disc-jockey while you are studying for a test. Make yourself very comfortable, relax on the floor with nice soft pillows, don't sit at the desk.

Counselor's Note

The Guidance Counselors are reminding all seniors who are planning to attend college next year that the S. A. T. closing date for registration is April 2, 1966. Testing date is May 7, 1966. The A. C. T. closing date for registration is April 2, and the testing date is April 23. Palm Beach Junior College placement test date is Saturday, April 2, 1966. The time is 8:30 a.m. to 2:45 p.m. at Palm Beach High School.

deak where there is plenty of light. After all, you have 20-20 vision.

Suddenly, you remember that you did not eat dinner. One can't be expected to study on an empty stomach, so you rush into the kitchen and eat your favorite foods, cake, ice cream, sodas and hot dogs. You are really ready to get down to work now when suddenly you remember that your friend, Charles has not called. You, then, decide to Betty, Jane and Susie who refer you to Bobby, Tom and George. No one has seen Charles. Oh well, it's almost 11:30 and you must begin your studying. You finally

decide that it's much too late to even start after all a growing child must have plenty of rest. Maybe all of the studying you did tomorrow or actually forgot about the test. Finally a decision is reached. You will study during the 15 minute homework period in the morning. What a thing! Why do teachers subject us to so much mental pressure?

"Spotlight On Senphomores In The Future"

Just think, Kathleen Moore and Steve Lanier as Valedictorians of our senior class. Birma Hill and Carl Hall making perfect scores on the Senior Exam. Man! Wouldn't this be exciting! Imagine David Hobbey and Paul Simms as biologists; Hobbey would need a microscope now with this class.

Wouldn't it be eye catching to see Catherine Lowe married to John Holman, Ethel Lockett married to James Ford, Imogene Bell married to Ernest Clark, but a sign for some eyes was a sign for some eyes. Sully Cameron, Ruth Byrd and Helen Ray with a house full of children, and to top it off, Alton Jones "Blu" and Curtis Pierce "Kirk" as bachelors as handsome as they are.

Can you imagine what this world would be like if Robert Davis was President of the U. S., James Whitaker, Vice President, Man! Just think Jimmie Phinaze, Herman Padgett and Lamar Bailey as congressmen, people of a child.

If Johnnie Lusane ever gets his Science Degree the moon will be our home, so students consider these things and let's look forward to a better world.

Good Etiquette Column

"RESTAURANT ETIQUETTE"

Whenever a young lady goes out with a young man, she should be considerate of his budget. In ordering, the young lady tells her escort what she would like to eat, and he gives the order to the waiter. If she is in some doubt about what to order, she may leave the choice of menu to her escort.

If service is slow or if the order is filled incorrectly, tell the waiter quietly what is wrong. Loud complaints and noisy remarks embarrass your companions. They also betray the fact that you do not know how to behave when dining out.

If the party includes several couples, it is customary for the boys to divide the check. This should never be done at the table or in the girls. One of the boys should take the check and the others should reimburse him privately. To count out change at the table or to discuss who will pay the bill is poor table etiquette.

If a woman or girl approaches the table after you are seated, the boys always remain standing until she is seated or left. When leaving the table, the girls should walk on ahead while the boys settle their accounts. They should never stand by watching or participating in the discussion.

You will find that these rules of restaurant etiquette aren't difficult to follow. They will help avoid you embarrassment and add of the impression made upon others.

Priceless

I have seen a mother at a crib
So I know what love is
I have looked into the eyes of a child
So I know what faith is
I have seen a rainbow
So I know what beauty is
I felt the pounding of the sea
So I know what power is
I have planted a tree
So I know what hope is
I have heard a wild bird sing
So I know what freedom is
I have lost a true friend
So I know what sorrow is
I have fought and killed in war
So I know what Hell is
I have seen a star-dusted sky
So I know what the infinite is
I have loved and felt all these things
So I know what God is

"The Tattler's Column"

Well, here I am again with some exciting news that will burn everyone's ears.

Mary A. I. is it true that you're going to put Daniel P. down for a certain young man?

Patricia R. I understand that you put Herman P. down for Chester E. What about it?

John J. why do you and Dorothy H. always fuss over who's going to sit where in the cafeteria? Could it be that one of you is ashamed to eat in front of the other?

Deborah M. I understand that you and Joe S. have got an everlasting love.

Annie L. M. what were you and Robert B. arguing about? It is possible that it could have been over a certain junior?

Jeannette S. what happened to you and Robert P.? Did he wander off too far to be found?

Hattie J. I understand that you've got a crush on Larry Mc. Is it true?

Joann B. what has happened to you and Jimmy C.? Did you have a fight?

Curtis P. why are you always clowning? I understand that you want Annie M. and Mary H. to see you?

Until the next time, keep your business to yourself, because some might kick it in the newspaper. Ha! Ha! Ha!

Teacher Of The Week

Miss Anyne A. Mells has been chosen as Teacher of the Week. Miss Mells is a native of Sanford, Florida. She now resides at 124 S. W. 12th Street, Belle Glade, Florida. She obtained her Bachelor of Arts Degree from Spelman College, Atlanta, Georgia. She has a Master of Arts Degree from the Teacher's College of Columbia University at New York. She has done further work at Tuskegee Institute, Tuskegee, Alabama. Her hobbies are: sewing and gardening. Miss Mells is in charge of the General Music classes and an 8th grade English class here at Lake Shore High. She was at one time, director of the chorus. Miss Mells has contributed time, effort and congenial personality to the Lake Shore High family. Perhaps as we pass from one experience to another in this school life, we can grasp just a little of the dynamic influence of this wonderful teacher.

Maggie Column

Dear Maggie,

Like a certain young man very much and I believe he loves me also. There is a girl in my homeroom who asks whenever she asks him whether he likes me or not. He always says that he doesn't like me. But all of my other friends say that he tells them he cares for me. Can you tell me whether he likes me or not?

Wondering

Dear Wondering,

Yes, your boyfriend does love you. He must care something for you if he takes up his time with you. Numerous romances have been broken up because of what some other person has told either the girl or the boy. Don't let this happen to your romance. Tell this school life to stop telling you these things because you don't believe anything she says because you have

More Women Than Men

Women made up 51 per cent of Florida's population in 1960 and their number is expected to gain slightly faster than the number of men during the next 20 years, the Florida State Chamber of Commerce stated in its Weekly Business Review released yesterday.

However, a different trend shows up in a breakdown by age, and it is a new trend: males up to 44 years of age will outnumber females by a shade in this age group.

"The total number of women in Florida by 1985 is expected to range from a high of 5.7 million to a low of 4.8 million. Males will number between 5.4 million and 4.5 million."

Statistics are based on a recent report of the U. S. Bureau

Dear Maggie,

My mother has a garage and he wants me to stay there and help him work every day after school, and on Saturdays, I'd rather go to the school and play basketball every afternoon instead. What do I go?

Dear Want To Know,

There isn't but one thing you can do. Ask your father permission to go to the school and play basketball on the days he isn't too busy at the garage. I'm sure he will understand.

Florida's Population

Florida's population is officially estimated to reach at least 9.3 million and may reach 11.1 million by 1985, the Florida State Chamber of Commerce stated in its Weekly Business Review released yesterday.

"This range in Florida's population growth is the result of different views regarding the rates of natural increase and the in-movement of new residents from other states, some more optimistic than others.

The 1970 estimates for Florida's population range from 6.6 million to 6.9 million; 1975 from 7.5 million to 8.2 million; and 1980 from 8.4 million to 9.5 million.

4-H Surfers Want Names Of Belle Glade Men In Viet Nam

"You can't spread happiness without a bit of it sticks to your own fingers" Belle Glade 4-H Surfers and their leader, Mrs. Kenneth Bass found this true when letters of thanks from Belle Glade boys in Viet Nam were received for candy and cookies mailed last month.

At their March 2 meeting, heart-warming letters from three recipients were read by the girls. The balance of the time was spent preparing additional candy and cookies to mail to Larry Smith who is in Viet Nam. Mrs. Ray Caruthers turned in Smith's name and attended the meeting assisting the girls and Mrs. Bass in preparing boxes of goodies to be sent to him.

Now the girls are seeking more names of Belle Glade boys, to continue their good deed project. They ask that anyone knowing of Belle Glade boys over there, please contact Mrs. Bass, telephone 996-6635, or one of the Surfer members.

"I read of projects other groups were carrying out remembering boys in Viet Nam," Mrs. Bass explained. Although our group is small and the girls are only 10 and 11 year-olds, it seemed a natural for us to do something for these men," she said. "It ties in with our cooking projects, as one meeting each month is devoted to cooking and food demonstrations. We decided to spend our time and use the ingredients in doing something for our boys in Viet Nam."

Mrs. Bass well knows the feelings of men in service, the horrors of war for the fighting man and his family. Her husband, Kenneth, was taken prisoner when his B-29 was shot down over

Another Box For Viet Nam

North Korea in 1952. She remembers well the 14 months of agony while her husband was held prisoner of Communist China.

"We want our boys over there to know that they are remembered and that we appreciate what they are doing," Mrs. Bass said. The girls each pay 10c weekly dues toward the project, but to date this has not covered expenses. Two-gallon coffee cans are spray-painted, packed with candy and cookies and sealed with masking tape. Postage alone for the three packages sent amounted to \$3.75.

"We could use donations of time or money," the leader emphasized. Mrs. Bass assumed leadership of the

Letters Of Thanks

Lend Encouragement

Tell Sheila, Kim, Linda, Janice, Arlene and Kathy, hello for me, and tell them thanks, even the "thanks" could never repay the warm feeling that they put in my heart.

The guys whose names are at the end of this letter have done this for me all for what you and the girls have done. They all seem to agree that this was

one of the nicest things that they have heard of. The men who have signed their names to thank the girls and myself, are camped at the base of a mountain where we are blasting and crushing rock. We haven't had much trouble yet, and with the Lord's help I hope we don't have any at all.

I was sorry that Arlene and Kathy were unable to send their pictures. I would love very much to have them. And for Sheila, Kim, Linda and Janice, I thank you for sending me your pictures. I'll always keep them to remind me of the nicest surprise of my life.

Love to all, Kenneth Martin P. S. Enclosed is some Viet Nam money. Please give it to the girls. Richard C. Snuffer Roy D. Haislip Leon L. Snider William L. McLaughlin James E. Remfrow Nilo V. Bertini Curtis W. Bruce Arthur L. Stanfield Frank J. Foster Joe S. Nolasch Kenneth R. Martin

Dear Mrs. Bass, I would like to thank you and the 4-H Club members Sheila, Linda, Janice, Arlene, Kathy and Kim for the cookies and candy.

I appreciate your fine showing of Americanism. We are in this far-away war-torn land to protect the American way of life. It seems funny that we are protecting those who demonstrate about the U.S.'s policy in Viet Nam.

Again thank you all for the cookies, candy, and consideration. Your friend, (Pvt. William R. Groover, Jr.)

Mrs. Bass and Girls, What a nice thought you and the girls have expressed by sending the candy and cookies. I hope some day to be able to thank you in person. Gives me a great feeling to know that someone like you will take time and help the girls prepare the candy and cookies.

The card and pictures were real nice, also. Some of the young ladies I know and some I don't. I'm looking forward to meeting them all and show my appreciation.

I noticed you live on Wedgworth Road. Do you live near Charlene Webster? I worked with her

South Bay Boat Launching Facilities In Big Mix-up

"The small boat launching ramp in South Bay just off U. S. 27 cannot be used, because of a mix-up in planning between the County and the U. S. Corps of Engineers," according to the City Clerk, Herbert Craig. South Bay boat owners now have to drive to the Belle Glade Marina to launch their boats on Lake Okeechobee. If things get settled they can get their bottoms wet by driving just a half mile north on U. S. 27.

The access road which was built with County funds was barricaded by the U. S.

Corps of Engineers, when the county workers wisely widened the road at the top of the dike to permit cars meeting at the top to safely pass each other. However the passing area was not shown on the plans, which the County submitted to the U. S. Corps of Engineers, resulting in the erection of the barricade.

City plans call for the installation of the city water, the running in of electricity, and eventually for a recreational park complete with picnic tables and shelters. After the barricade was put up the plans were turned back to the County Engineers for revision. "They told me it may be months before they get to them. The plans for the South Bay Park are on the bottom of the heap," Clerk Craig advised Commissioners.

Benefit Dance Slated For March 26

The Police and Fire Departments of South Bay plan to hold their first annual Benefit Dance on Saturday, March 26, at the American Legion Hall in South Bay. Assistant City Clerk Mathis announces. A complimentary buffet lunch will be served by the officials. Dancing will begin at 8 and continue until the wee small hours. Proceeds of the benefit will be used to purchase equipment for the departments.

"Tickets are available at the South Bay Supermarket Clayton Water's Sinclair, Willis General Store, and Roy's Smokehouse," says Mathis. "I'm making arrangements for a band, and anyone who wants can get soft drinks at the dance."

Own A South Bay Dog? Better License It!

Dogs days in South Bay will be March 12 and 19, announced City Clerk Craig. After March 19 any dog not innoculated against rabies and licensed by the city is subject to being picked up and impounded.

Yet Howard Hall, Everglades Animal Hospital, will be on hand at the Fire Station in South Bay to give the dogs their rabies 'shots' and from there its just a few steps to city hall to buy the dog license. Cost of the rabies 'shot' is \$3.00 including rabies tag

Flowers Beds To Be Planted

In Triangle

Mr. Herbert Craig, city clerk, reported on the planting of flowers in the triangle located on Highway 27 at the intersection in South Bay to members of the South Bay Garden Club. He stated that they report had been submitted to the State Road Department for approval.

The meeting was conducted at the First Baptist Church educational Building in South Bay. Mrs. Evelyn Douthett, president presided. Eight members and two visitors Mrs. R. L. Polk and Mrs. L. Challancin were present.

Mrs. Sapp, hostess, served cookies and punch. After the meeting adjourned, the club members went to the triangle where measurements for the flower bed were made. They were assisted by Mr. Young

National Girl Scout Week March 6 - 12

Annual Girl Scout Week observance March 6-12, marks the 54th anniversary of the founding of Girl Scouting in the United States by Juliette Low in Savannah, Georgia. The six troops of Castard Apple Neighborhood have their roots in Girl Scout activity in Belle Glade as far back as 1932, when troop leaders applied for "commission as captain" of a troop.

Observance of Girl Scout Week traditionally begins with Girl Scout Sunday, when girls and adults who work with them are recognized in church services. Duty to God is one of the three parts of the Promise, and many troops are sponsored by church groups.

TROOP 41 Junior troops have concentrated on camping in recent weeks. Troop 41 will be leaving Friday after school to spend the weekend at Camp Welaka near Jupiter, carrying out plans begun in October, when the hurricane forced postponement of a trip that weekend.

TROOP 62 Troop 62 proved themselves self-reliant when they found that they could manage in a cabin unit despite the freezing temperatures and downpour of rain of "that" weekend in February. Parents on standby for transportation did not get the call to come early to get the troop!

Girls in these Junior troops have also been working in groups on cooking, arts and crafts, parties, hikes, and sign of the Arrow and Sign of the Star ranks, including flag ceremony, Scout's Own, the history of Scouting and the World Association, activities with other Scout groups and service projects.

Girl Scout Troop 41 — Top Row: L-R: Mrs. R. Y. Creech, Jr. leader, Rachael Creech and Vickie Wall. Center row, Becky Smith, Jeanne Connel, Allen Anne Smith, Carole Harris, and Brenda Markham. Bottom row, Sharon Theibaud, Brenda Harris, Carla Wagoner, Shelle Burke, Cindy Roach and Marsha Connel. (Missing are Robin Davis, Patty Hill, Linda Moon and Candy Wells, and leader, Mrs. Barnes Smith)

BROWNIE TROOP 237 Brownie Troop 237 in their program of Brownie B's, Be Discoverers, Be Ready Helpers and Be Friend-makers, made a most interesting discovery in music when their leader gave them the opportunity to use a chord organ along with learning songs.

CADETTE TROOP 264 Cadette Troop 264 of Junior II girls have the Challenge of Emergency Preparedness as their overall program, utilizing some of the required activities as they plan their other activities involving badges, trips, and parties.

SENIOR TROOP 133 Senior Troop 133 have re-activated a troop which was first registered in 1952 as Brownies and graduated in 1963. Their current empha-

This group of Girl Scouts Troop 41 participated in services in their church on Girl Scout Sunday, March 5 and are wearing their uniforms all this week. They are participating in the Girl Scout Cookie Sales and are planning a camping trip this Friday, Saturday and Sunday to Camp Welaka, the Palm Glades Girl Scout Camp in Jonathan State Park, Jupiter.

sis is on community and citizenship; they have attended a city commission meeting in City Hall, and plan to attend a city commission meeting to visit the Ringling Art and Circus Museum highlighted their fall program, and camping is planned later in the spring.

Founder's Quote About Scouting

"The term Scouting has come to mean a system of training in citizenship, thru games, for boys or girls. The girls are the important people, because when the mothers of the nation are good citizens and women of character, they will see to it that their sons are not deficient in these points. As things are, the training is needed for both sexes, and is imparted thru the Boy Scouts and Girl Guides Movements. The

principles are the same for both. It is only in the details that they vary." —So wrote Lord Baden-Powell, founder of Scouting, in 1920, 12 years after he wrote SCOUTING FOR BOYS at the beginning of the Boy Scout movement.

Avoid Careless Use Of Poisons And Sprays

The use of poisons in home is easy. With push-button ease, you can send a fog of poison into the inaccessible nooks and crannies of cabinets, corners, and baseboards. Although these sprays are lethal to insects almost on contact, it's assumed that their sprays are poisonous to insects but not to human beings. Such is not the case. Fewer than fifteen people out of one hundred people using insecticide sprays are aware of the warnings on the containers, according to a survey. If people simply fail to read the label, not realizing that they are handling dangerous chemicals. Insecticides labeled "poison" can kill both insects and people. Statistics surrounding the misuse of chemicals in the home attests to this. Carelessness in the use and storage of medicines, insect sprays, cosmetics, cleaners, and poisons is directly responsible for more than 400 child deaths each year. A needless tragedy because of carelessness. Of course, this does not mean that you should be afraid to use these chemicals, but recognize their danger. Read the label and follow the directions. Keep medicines and poisons in their original containers. Know how to reach your nearest Poison Control Center whose doctors can treat poisoning cases.

Despite a cantankerous typewriter, the Library project of adding subject cards to the Card Catalog is moving ahead.

Although those involved with it admit that the job will be a long-range one, probably lasting over two years, the constant influx of new cards for the file is heartening. It shows progress.

As the cards stack up the thought of how much more accessible books and information will be to the public, when the project is complete, makes the long job seem less arduous.

THE BILLION DOLLAR BRAIN. Delightful.

Old friends from THE IP CRESS FILE & FUNERAL IN BERLIN are in this topical thriller about an international espionage network with a computer at its heart.

The plot moves from Leningrad, and Helsinki, and London, and New York — to Texas.

ELIZABETH TAYLOR

This "informal memoir," by the international celebrity, has helped to make Elizabeth Taylor more palatable to many people. She writes with wit, and ap-

parently with honesty. The photographs, except for those from her family album, are by Roddy McDowall.

THE DREYFUS AFFAIR. Schacter.

The facts of the famous French affair, at the end of the last century, are almost too melodramatic to be true. Schacter's account shows what can happen when justice is sacrificed to presumed honor or security.

PROUD TOWER. Excellent space to the Dreyfus story, which is further clarified, for those who are interested by this full-length discussion.

THE MIND GOES FORTH. Overstreet

There is a 1956 copy-right on this book, in which Harry and Bonaro Overstreet come to grips with the problem of overcoming the hostilities and extremisms that separate man from man. The problems are still with us, and these comments still applicable after ten years.

THE SOUL OF KINDNESS Taylor

Fiction, on the blight cast by the international celebrity, has helped to make Elizabeth Taylor more palatable to many people. She writes with wit, and ap-

Sgt. Padgett Is Assigned To Forbes AFB

BILOXI, Miss — Technical Sergeant Richard Padgett, son of Mrs. Elizabeth Padgett of Groveland, Fla., has been graduated at Keesler AFB, Miss., from the training course for U. S. Air Force navigation equipment repairmen.

Sergeant Padgett, who attended Groveland High School, is being assigned to Forbes AFB, Kan., for duty with the Tactical Air Command.

The Sergeant attended the University of Maryland at Baltimore.

His wife, Anita, is the daughter of O. H. Dotson of Pahrake, Fla.

Scholarship Fund Voted By PBJC Students

A new, \$1,000 scholarship fund for Palm Beach Junior college students has been voted by the the students, themselves, through the student Senate, the legislative branch of the Student Government Association.

This will be the first time in the history of the college

that the SGA has awarded scholarships.

Interest in the fledgling intercollegiate sports program at the college is shown by the fact that \$600 of the fund was earmarked for athletic scholarships.

"We are hoping athletes who are good in more than one sport," says Ken Jenne, SGA president. "We need help just about everywhere."

The intercollegiate program at PBJC got underway with baseball last spring. Other sports are being started during the current school year.

The four athletic scholarships will be for \$150 each to cover basic tuition of \$50 per term, student activity fees of \$15 per term, and \$20 of additional expenses.

Two \$100 scholarships will be awarded for excellence in academic achievement.

Two \$100 scholarships will be awarded for outstanding service to school.

Nominations for the scholarships are currently being accepted from students, faculty and alumni.

The funds utilized for the scholarship come from student activity fees.

Local area residents can meet and hear one of the 20th century, General J. Lawrence Collins, when he bute which lauds the 1966 Round Table season, the most successful in its 34-year history.

Information concerning the General Collins, Robin Moore addresses, and the March 28 luncheon, is available from the Palm Beach Round Table office, Florida Capital Bldg., 450 Royal Palm Way, Palm Beach, Tel. 932-1342, with Mrs. Robert (Deane) Sovik, general manager.

Following Gen. Collins the Round Table presents on Monday, March 21, for his first Florida appearance, Robin Moore, author of the spectacular book, "The Greys Berts," which has sold over a million copies.

The Round Table honors its founder-chairman, Mrs.

'Mac' McDonald Is Fine After Recent Surgery

All friends of C. W. (Mac) McDonald, pioneer resident of Belle Glade, who underwent surgery Monday, Feb. 28 at Good Samaritan Hospital, West Palm Beach, will be glad to hear he is reported doing fine by Mrs. McDonald, and expects to be released to come home this coming Sunday. All of the children have been in to visit him and his daughter-in-law, Mrs. Harry McDonald, an RN was with him during the first several days Mrs. McDonald has been staying with her daughter, Mrs. Betty Jane Harpster in West Palm Beach during his hospitalization.

Mr. "Mac" is in Room 235 at Good Samaritan Hospital.

Talkers

Eighty-one percent of the estimated 57.3 million households in the U.S. had telephones in March 1965, a Bureau of the Census study shows. The figure compares with 75 per cent of 22.8 million households with phones in a March, 1960 survey.

Boys Camping

South Bay Boys Club leaves on Camping Trip. Pictured is Pastor Bill at rear of carry-all. Second from left, and South Bay Principal, Hector Ouellette, and T. L. Corbett at front of carry all.

Pastor Bill and Mr. Cone survived the South Bay Boys Club camping trip to Fisheating Creek in good condition judging from their appearance Saturday afternoon. Fishing was not up to expectations even under the expert guidance of Mr. Cone

but all boys had a wonderful time. Only a few mother's report lost or misplaced articles of clothing which

has to come out of son's allowance, but even the most worried mother found the trip welcome no matter how much she missed her offspring's usual shenanigans.

Pastor Brunstein lists the following boys as going on the trip, and eager for the next one:

Harold Barnes, Jerry Dixon, Dennis Dixon, Darrell Edwards, Harold Edwards, Noel Fuller, Dennis Crawford, Mike Jones, Randy

Richbourg, Jerry Walden, Randy Corbett, John Eaton, Danny Barnes, Bobby Owens, William Bever, Bob by Ostein, Jerry Hartline, Steve Garrett, Alec Connor, William Ritter, Frank Mayo, Eddie Mayo, Carl Cone, Jr. and Wayne Richbourg. 34 boys in all. Mr. T. L. Corbett, South Bay Bargain Shop, and Carl Cone of Cone's Paint Store of Belle Glade furnished transportation for the club.

Kill this pellitory weed in sugar cane.
Use Atrazine. Here's how:

When you see pellitory weed starting to grow, apply Atrazine 800W herbicide, plus a little surfactant. You'll clean out infestations of this winter annual fast and effectively without hurting cane.

Atrazine is safe to sugar cane. It will not injure your crop when you apply it as directed on the label. And since it's non-volatile, there's no danger of drift to adjacent, sensitive crops.

Even though Atrazine has proved to control pellitory at any stage of growth, early treatment assures best results. With pellitory under control early, you grow more sugar cane per acre.

That's because Atrazine prevents

pellitory from interfering with sugar cane tillering. Also, Atrazine helps make soil moisture and nutrients available for your cane, and not for pellitory weed.

So plan now to grow the maximum tonnage of sugar cane from each acre you plant this season. Just use Atrazine to control pellitory weed this winter.

Contact your local supplier. Or for more information, write us: Geigy Agricultural Chemicals, Division of Geigy Chemical Corporation, Ardsley, New York.

FAMILY POT LUCK
BY HELEN HALE

Breakfast Patterns
This is the wake-up meal that starts you off well on a day which can be filled with accomplishment. It will do that if you use 1/4 to 1/2 of your day's food upon waking.

Have your bacon and eggs (or ham or sausage) in a toasted sandwich if you want a quick breakfast.

For a change try scrapple, that old-fashioned favorite made of cooked cornmeal with ground pork or sausage. Mold it the night before, then pastry and serve with syrup or applesauce. Hot cereal or cold. These, too, are quick but delightful with fresh, frozen or canned fruits riding atop the cereal.

Waffles can be quick if you select frozen ones and heat in the toaster. Pancakes don't take much longer if you use a mix or measure out your own ingredients the night before. Add an egg and breakfast meat to these for that quota of protein that's so needed whether your six or sixty.

Small breakfast steaks take only a minute to pastry—serve these on toast or rolls for another quickie.

Here's the Favorite:

Sausage Omelet
(6 servings)

1/2 pound pork sausage meat

3 tablespoons butter or

substitute 6 eggs

1/4 cup milk

1/4 teaspoon salt

Dash of pepper

Pastry sausage until lightly

brown. Drain on absorbent

paper. Melt butter in heavy

8-inch frying pan over medium

heat. Beat eggs add milk, salt

and pepper, beating with a

rotary beater until frothy. Pour

into skillet. Lift edges of

omelet as it cooks with a spatula

to allow uncooked portion

to flow to bottom. Do not stir.

Sprinkle pork sausage on top

of cooked half, then loosen

and fold over. Roll onto hot

platter.
